

(2) Carry forward to any newly created documents any assigned authorized markings. The declassification date or event that provides the longest period of classification shall be used for documents classified on the basis of multiple sources.

(c) A derivative document that derives its classification from the approved use of the classification guide of another agency shall bear the declassification date required by the provisions of that classification guide.

(d) Documents classified derivatively on the basis of source documents or classification guides shall bear all applicable marking prescribed in sections 2001.5(a) through 2001.5(e), Information Security Oversight Office Directive No. 1.

(1) *Classification authority.* The authority for classification shall be shown as follows:

(i) *Classified by (description of source documents or classification guide), or*

(ii) *Classified by multiple sources,* if a document is classified on the basis of more than one source document or classification guide.

(iii) In these cases, the derivative classifier shall maintain the identification of each source with the file or record copy of the derivatively classified document. A document derivatively classified on the basis of a source document that is marked "Classified by Multiple Sources" shall cite the source document in its "Classified by" line rather than the term "Multiple sources."

(2) *Declassification and downgrading instructions.* Date or events for automatic declassification or downgrading, or the notation "Originating Agency's Determination Required" to indicate that the document is not to be declassified automatically, shall be carried forward from the source document, or as directed by a classification guide, and shown on "declassify on" line as follows:

"Declassify on: (date, description of event); or

"Originating Agency's Determination Required (OADR)."

§ 503.56 General declassification policy.

(a) The Commission exercises declassification and downgrading authority in accordance with section 3.1 of Executive Order 12356, only over that information originally classified by the Commission under previous Executive orders. Declassification and downgrading authority may be exercised by the Commission Chairman and the Commission Security Officer, and such others as the Chairman may designate. Commission personnel may not declassify information originally classified by other agencies.

(b) The Commission does not now have original classification authority nor does it have in its possession any documents that it originally classified when it had such authority. The Commission has authorized the Archivist of the United States to automatically declassify information originally classified by the Commission and under its exclusive and final declassification jurisdiction at the end of 20 years from the date of original classification.

§ 503.57 Mandatory review for declassification.

(a) Information originally classified by the Commission shall be subject to a review for declassification by the Commission, if:

(1) A request is made by a United States citizen or permanent resident alien, a federal agency, or a state or local government; and

(2) A request describes the documents or material containing the information with sufficient specificity to enable the Commission to locate it with a reasonable amount of effort. Requests with insufficient description of the material will be returned to the requester for further information.

(b) Requests for mandatory declassification reviews of documents originally classified by the Commission shall be in writing, and shall be sent to the Security Officer, Federal Maritime Commission, Washington, DC 20573.

(c) If the request requires the provision of services by the Commission, fair and equitable fees may be charged under title 5 of the Independent Offices Appropriation Act, 65 Stat. 290, 31 U.S.C 483a.
